EMERGENCY FEED PROGRAM [E. F. P.] - In the last couple of weeks since we have been administering the E. F. P., we have had quite a few farmers to come by the office to inquire about applying for the program. We have found in most instances that the majority of farmers applying already have enough feed on hand to last for the program period, [December 1, 1977].

If you do not have enough feed on hand to last until December 1, 1977, I highly recommend that you delay making application to near the end of the program period or at such time the program is extended. At this time the program has not been extended but I do hope and expect that it will be extended.

DROUGHT FLOOD CONSERVATION PROGRAM [D. F. C. P.] - Last Friday, the signup period for the D. F. C. P. ended. We have on hand over 50 applications which will be acted on by the County Committee later this week. Just as soon as the committee has acted on the request, we will notify each applicant as to the action taken. Because all approvals must be issued by September 30, 1977, all applicants will hear from us by the end of the month.

ACREAGE REPORTS - A letter was mailed to farmers last week explaining new provisions for acreage reports. Just in case you did not receive the letter the provisions of the food and Agriculture Act of 1977, if it becomes law, will require a report of total acreage of crops planted on each farm for 1977. This would include all crops such as corn, barley, wheat, oats, soybeans, hay, etc. In order for farm records to be complete for use in determining eligibility under the 1978 program, farmers will need to furnish this report. Farmers are urged to make this report as quickly as possible. If you have any questions, please contact us.

PICTURED ABOVE IS A COUPLE AND THEIR DAUGHTER who had stopped to enjoy refreshment before going home. We had over one thousand people to stop over the week end.

React Team Held Labor Day Safety Break

The Central Virginia React Team #3007 held its seventy-two hour Labor Day week end safety break starting Fri., Sept. 2, 1977 at 6 p.m. and ending Mon., Sept. 5, 1977 at 6 p.m.

We had a lot of nice people from 13 different states to stop by and enjoy conversation with the react members, and also to enjoy free coffee, coke and donuts. This is a list of states that we had people to stop by from - West Virginia, Texas, North Carolina, South Carolina, Tennessee, Indiana, Oklahoma, Florida, Connecticut, Georgia, Ohio, New York and Kansas.

The react members also helped out several people in need over the week end, one was a man, whose truck had broken down, also several of the react members assisted in looking for three children who were lost in Pamplin, Va. We also helped a family of three that was passing through and in need. Food, lodging and gas was provided for the family. We would like to thank the owner and manager of Parkway Motel and Maude's Resturant for their services in helping this family in need.

The Central Virginia React will be having its regular meeting Oct. 3, 1977 at 6:30 p.m. at Maude's Resturant for anyone who would like to come and set in at a meeting and see what it is all about. You don't have to join the react when you come, just come and visit, we would be glad to see you there.
